Goldoni's classic comedy, live music, fine dining—*La Locandiera* transforms 'Best Italian Restaurant in Scotland' award winner Vittoria on the Walk into an eighteenth-century Florentine Inn.

The seductive innkeeper Mirandolina has every man at her feet – they cover her in diamonds and cower about her like puppy dogs. Until 'the declared enemy of Italian women'- the Ulster Gentleman checks in. Piqued, Mirandolina vows to vindicate her sex – by making him fall in love with her. Who will lose the night? The seductive Locandiera or the misogynist Gent?

Wonderland's sparkling period production of Italy's most celebrated comedy has delighted audiences on its three National Tours, and will be 'back by popular demand' in venues across Ireland this autumn.

**All tickets include a delicious three course Italian dinner or two course lunch, accompanied by a generous helping of love, laughter and Neapolitan song.**

**Sunday Business Post**

★★★★★ 'An exuberant battle of the sexes.' **Metro**
